➤ ABOUT US

EXPEDITED WORLD CARGO, INC. IS A LEADER IN THE GLOBAL LOGISTICS INDUSTRY WITH LOCATIONS IN CHARLOTTE, MIAMI AND WASHINGTON, D.C.

EWC's mission is to help our clients achieve a competitive advantage by implementing affordable and reliable logistics solutions. We want clients to rely on us for every need regarding shipping, warehousing, procurement and compliance. We have the expertise to answer all of your domestic and international logistics questions. Our goal is to continuously establish and enhance our relationships throughout the world in order to exceed the expectations of our customers, employees and network partners.

We place a lot of focus on "time definite" shipping. By offering a wide variety of shipping options, including time critical, time sensitive and sequential shipping, we give our customers the confidence to ship items for any deadline. We are capable of shipping worldwide, and our staff keeps current on changes to import and export laws that may impact your business dealings. We can work with you on domestic and international logistics strategies that will improve your efficiency and bottom line. In addition to providing reliable transportation services, EWC offers support for all of your domestic and international logistics needs.

➤ AGENTS AROUND THE WORLD

OUR EXPERTISE IN INTERNATIONAL LOGISTICS MAKES US THE CHOICE FOR MANY COMPANIES AND GOVERNMENT AGENCIES THAT HAVE INTERNATIONAL TRANSPORTATION NEEDS. A VAST NETWORK OF AGENTS ACROSS THE GLOBE ENABLES US TO SHIP YOUR ITEMS WITHOUT DELAY WORLDWIDE

Our international agents are fully vetted and carefully chosen to meet our high standard of service. We screen agents in various areas to fulfill specific security criteria for the Transportation Security Administration, U.S. Customs and Border Protection and other international security

programs. Our relationships are established with proven performance, allowing for a seamless transaction for our clients. Together we work through all the details up to the last tactical mile to deliver your shipment within any timeframe.

➤ LOGISTICS

EXPEDITED WORLD CARGO OFFERS TO TRANSPORT YOUR SHIPMENTS DOMESTICALLY AND INTERNATIONALLY. OUR TRAINED TEAM OF LOGISTICS EXPERTS CAN ADVISE YOU ON THE FASTEST AND MOST AFFORDABLE CARGO SHIPPING OPTIONS.

AIR LOGISTICS

Whether time or budget is your most pressing concern, EWC has an air logistics solution for you. With all of our air logistics options, you will be able to track your shipment from the moment it leaves your possession to the moment it arrives safely at its destination. Combining our knowledge of domestic and international shipping laws with our efficient and tested supply chain, we can elevate your air logistics experience and take some of the worry off of your mind.

OCEAN LOGISTICS

When you have specific ocean shipping requirements, our team can provide customized ocean carriage to meet your needs. Our knowledge of import and export regulations will ensure that your shipment does not face any unnecessary delays as it travels across the world. EWC is committed to ensuring all ocean logistics are compliant with all regulations so you can focus on the bigger issues surrounding the operation of your business.

GROUND LOGISTICS

Ground logistics service fills the gap between air logistics and ocean logistics. EWC's logistics team of professionals utilizes railways and roadways in countries all over the world to accomplish door-to-door delivery service. Our logistics service makes these deliveries possible and gives you the confidence that your shipment will arrive at precisely the right place at exactly the right time.

PROJECT LOGISTICS

EWC's project logistics division handles cargo shipping of any size. We provide end-to-end project logistics to many industries such as defense, government, construction, oil and gas and many others. Our team of experts can advise you through every step of your project. Whether you have a basic freight shipment or a highly sensitive and compliance-centric project, we can develop and execute a logistics solution to meet your needs.

INTERNATIONAL TRANSPORTATION

We have the ability to ship worldwide and have relationships with international transportation agents around the world. For each location, we are knowledgeable of the documentation requirements to get your shipment to its final destination without delay. We offer door-to-door international transportation services that are customized to meet your shipping needs.

DOMESTIC TRANSPORTATION

We offer creative solutions in order to help you achieve efficiency. Some of our domestic transportation services include: Transportation Management Programs, Emergency Intercept Services, Reverse Logistics, and Just-In-Time delivery. EWC can accommodate your domestic transportation requirements with a customized freight logistics plan.

WAREHOUSE

EWC is a full-service warehouse and distribution company. We offer customized warehouse solutions built to suit specific customer requirements. We operate two convenient warehouse locations in the Washington, D.C. and Miami metropolitan areas. Capable of short-term and long-term storage, our team of trained professionals can help reduce your warehouse and distribution costs.

➤ VALUE ADDED SERVICES

OUR LOGISTICS SERVICES ARE THE CORE SERVICES WE OFFER, BUT WE HAVE A WIDE VARIETY OF VALUE ADDED SERVICES THAT ARE INTENDED TO MAKE YOUR SHIPPING EXPERIENCE EVEN MORE STREAMLINED.

Our years of experience in global shipping enable us to accommodate you beyond the basic transportation of your goods. We want you to benefit from our knowledge, and we make it easy with options to guide you through every step of the shipping process.

DANGEROUS GOODS

We specialize in the transportation of dangerous goods by air, ocean and ground. Our commitment is to provide our customers with the highest quality of customer service while meeting all the compliance needs in the transportation of your dangerous goods. Our highly-trained staff is able to complete the required dangerous goods documentation quickly and accurately as well as package your shipment in order to comply with all federal and international regulations.

CARGO INSURANCE

EWC offers all-risk cargo insurance for domestic and international shipments at very competitive rates. Whether your shipment is traveling by air, ocean or ground, adding all-risk cargo insurance is a smart move to protect your investment. In the event an issue should arise, EWC will work on your behalf to resolve the issue. Whatever the commodity, cargo insurance is an added level of protection that you can depend on.

CUSTOMS BROKERAGE

Our team can provide successful customs clearance of your imported shipments through our highly trained in-house customs broker. We work with U.S. Customs to ensure the proper entry of your import shipment through the customs clearance process. Our in-house customs brokerage service can offer valuable guidance throughout the entire customs clearance process.

DOCUMENTATION MANAGEMENT

We also offer documentation management assistance for all the export shipping documents that are required for your shipment. Some document management services include: Certificates of Insurance, Import/Export Licensing, Dangerous Goods Declaration, Notary Public Service, and Carnets. EWC staff has the knowledge and expertise to guide you through the documentation process and create the documents on your behalf. Our compliance-driven approach ensures that your shipment has the proper documentation necessary to reach its destination.

PRODUCT PROCUREMENT

EWC boasts an extensive network that provides creative sourcing and logistics solutions to support missions worldwide. Our cadre of professionals can manage entire projects to allow efficient decision making and provide timely updates throughout the product procurement process. We provide our clients with the tools necessary to achieve a sustainable competitive advantage. EWC offers a comprehensive procurement process to overcome the complex challenges of today's world.

➤ TECHNOLOGY

CARGO TRACKING AND DETAILS

Follow the status of your shipment at any time or at any point in the transport process. Through our cargo tracking you can obtain real-time status information on your shipment. Tracking personnel will monitor delivery of your shipment and provide proof of delivery, and clients are able to view cargo details online. With our cargo tracking tool you can rely on EWC every step of the way to ensure that your shipment arrives in a timely fashion.

WAREHOUSE RECEIPT AND RELEASE ELECTRONIC NOTIFICATIONS

Our shipping and receiving services use a specialized inventory system with a serial number technique to scan each item that passes through the warehouses. Automated electronic notifications may be sent to our clients the moment the cargo enters or leaves our warehouses. Your items will be treated with care no matter how long you use our warehouse and distribution services. Rest assured you will know exactly where your cargo is at any given moment.
